***** Partner companies are constantly being added, so if you don't see your destination city listed, call for a quote. All rates listed are for sedan transfers only - limousines, SUV's, and specialty vehicles will usually be subject to additional fees. It is suggested that you call for quotes, since rates may change without notice. Rates include gratuity, tolls, taxes, and miscellaneous road fees. Many rates are for baggage claim meets, which typically will require that parking fees be added to the all-inclusive rate. Fees range anywhere from \$3.00 to \$10.00, depending on the destination airport. Additional stops and waiting time charges are obviously NOT included in the all-inclusive rates.
